R/Scott Weide, Reg. No. 37,755

TERMINAL DISCLAIMER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The undersigned, being attorney of record, is empowered to sign this disclaimer on behalf of the owner/inventor.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and, to the best of the undersigned's knowledge and belief, title is in inventors and applicants Chester Vanek and Abraham Flatau.

The undersigned has reviewed all the documents in the chain of title of U.S. Patent No. 6,671,989 and, to the best of the undersigned's knowledge and belief, title is in Chester Vanek and Abraham Flatau.

To the best of the undersigned's knowledge, Chester Vanek and Abraham Flatau are the owners of 100% of the interest in both U.S. Patent No. 6,671,989 and the above-referenced U.S. Patent Application Serial No. 10/727,434.

Appl. No. : 10/727,434
Filed : December 3, 2003

I disclaim the terminal part of the statutory term of any patent issuing on U.S. Patent Application Serial No. 10/727,434, which would extend beyond the expiration date of the full statutory term as defined in 35 U.S.C. §§154 to 156 and 173 of United States Patent No. 6,671,989, as presently shortened by any terminal disclaimer, and agree that any patent issuing from U.S. Patent Application Serial No. 10/727,434 shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to said earlier patent, this agreement to be binding upon the grantor, its successors or assigns.

This does not disclaim any terminal part of any patent issuing from U.S. Patent Application Serial No. 10/727,434 prior to the expiration date of the full statutory term as defined in 35 U.S.C. §§154 to 156 and 173 of U.S. Patent No. 6,671,989 in the event that it later: is held expired for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

Respectfully submitted,

Dated: March 2, 2005
